### GOLD SPONSORS

Gerry de Camp, P.E., PTOE

### SILVER SPONSOR

SIEBENS

---

2nd Annual  
Joint Meeting  
Mini-Conference  
June 8, 2012

Ruthe Jackson Center, Grand Prairie, TX
Councilmember Jungus Jordan - City of Fort Worth: Jungus Jordan represents District 6 in the far south and southwest portions of Fort Worth. He was re-elected to his fourth term of office in 2011. He is a Fort Worth native and a graduate of TCU. Mr. Jordan is a retired Lieutenant Colonel in the United States Air Force having served in Vietnam, Germany and the Pentagon. Mr. Jordan represents Fort Worth on the Texas Municipal League Board of Directors, the North Central Texas Clean Air Steering Committee, is the Secretary/Treasurer of the Tarrant Regional Transportation Coalition, and is the Chair of the North Central Texas Regional Transportation Council.

Steven Hofener, P.E., PTOE - Traffic Engineering Consultants, Inc.: Steve is the founder of TEC and has over 37 years of diverse traffic engineering experience. Steve holds a BSCE degree from Oklahoma State University and a MECE degree from Texas A&M University. Steve is a past International President of the Institute of Transportation Engineers.

Mark Bouma, P.E. - North Texas Tollway Authority (NTTA): Mark earned his B.S. and M.E. degrees in Civil Engineering from Texas A&M University. Prior to joining NTTA Mark worked at HNTB for 12 years. Mark joined NTTA in 1998 as a Project Manager overseeing the PGBT and Addison Airport Toll Tunnel projects. As Director of Engineering, Mark managed NTTA’s planning, design and construction of numerous facilities between 1999 and 2007. In 2007, he became NTTA’s Technical Oversight Leader, providing technical direction and quality assurance over multiple consultant design and construction teams in NTTA’s Project Delivery Department.

Stephen Salin, AICP - Dallas Area Rapid Transit (DART): Steve is Vice President of Rail Planning for DART where he directs rail corridor and system planning activities for the Agency. He serves as DART’s senior environmental official and has over 31 years of experience in transportation and environmental planning for commuter rail, light rail and streetcar programs. Steve is a member of the American Institute of Certified Planners, and holds a Master of Urban and Environmental Planning degree from the University of Virginia.

Steve Schoenekase, P.E. - Parsons Transportation Group: Steve has more than 20 years of experience in the management, design, and construction of transportation projects across Texas. He joined Parsons Transportation Group as a Principal in 2010 to lead the Road & Highway Division in Texas and Oklahoma, focusing on projects ranging from small local roadways to major highway design-build endeavors. For the last year, Steve has served as the Principal Project Manager for the Parsons’ team at DFW International Airport. In this role he leads a team of consultants in the design and design management of civil engineering projects across the airfield. Steve is a graduate of the University of Kansas with a degree in Architectural Engineering. He is a licensed professional engineer and Certified Program Manager.

Cameron L. Williams, PE, PTP – Walter P Moore: Cameron has worked with Walter P Moore since 2008 after earning his MS and BS degrees in Civil Engineering from Texas A&M University. Cameron has diverse project experience including traffic studies, traffic forecasting analysis, traffic signal design, and safe routes to school programs. Cameron was a 2007 ENO Fellow and was awarded the 2008 Milton Pikarsky Memorial Award for best Master of Science thesis in the field of science and technology in transportation studies. Cameron is an active member of the Greater Dallas Section of ITE, most recently serving as the Dallas Section Scholarship Golf Tournament committee chair.

Cameron L. Williams, PE – Texas Department of Transportation: Cameron graduated from Texas A&M in 2005 with a BS degree in Civil Engineering. Cameron spent three years designing and reviewing various projects in the Collin County Area office of TxDOT. Cameron rotated to the field and served as the Project Manager on the US 75 at Parker interchange in Plano, the first Single Point Urban Intersection (SPUI) in Texas. Since July 2011 Cameron has been working on the Dallas Horseshoe Project and currently serves as Deputy Project Engineer.
